

**The World
Has Changed.**

Have you?

KPMG in Bulgaria **Performance and Technology practice** invites a prominent professional to join our **Financial Services** team as a Senior Advisor.

We provide advisory services to leading banks and financial institutions across the region and we are now looking to recruit an experienced professional with the following characteristics:

- 3-5 years of experience in financial institutions;
- understanding of banking products, services and operations;
- expertise in risk management and/or financial and management reporting;
- good knowledge of regulatory requirements;
- excellent communication skills and fluency in English.

Exposure to large banking and ERP systems would be considered an advantage.
